All these varieties were treated with bichloride of mercury before planting and grown on new soil.

We prepay transportation and give each order our careful attention.

All orders accepted subject to prior sale.

If you have never grown northern Michigan bulbs give ours a trial and we know you will be pleased with the results.

1000 at 8 times the 100 rate, 250 at 1000 rate.

Write us for prices on bulblets and planting stock.
